

# Installation and Commissioning

BioSealer® TC  
Order No.: S873SINST

## Benefits

- Consistently high quality of the weld joints
- Optimized instrument performance
- Trouble-free operation
- Friendly support in training operating personnel to work with your systems
- Compliance with regulatory requirements

## Product Information

The reliability and the service life of your equipment significantly depend on its installation and configuration according to the specifications.

Installation and commissioning by our service professionals will ensure that your BioSealer® TC successfully operates right from the start. Sartorius Service installs and configures according to regulatory requirements and quality standards.
