# TAKEONE<sup>®</sup> – The Time-Saving Aseptic Sampling System

## Start immediately

Bypass parts washing, equipment preparation and assembly with TAKEONE<sup>®</sup> and break bottlenecks to your process.

## Reduce costs

Take the right collection vessel for your individual samples, reduce product loss from over-sampling and minimize your costs.

## Sample safely

Every sampling line of every TAKEONE<sup>®</sup> device is leak tested after assembly.

## Hybrid Single | Multi-Use Systems
